William Carey Library Publishers, United States, 2019. Paperback. Condition: New. Spanish Language ed. Language: English. Brand new Book. Jesus is always on the move. If we follow Him, where will we end up? An expert on nomadic peoples, Malcolm Hunter shares stories from a lifetime of working in some of the world's most remote, colorful, and neglected communities. In the early 1960's Malcolm and his wife, Jean, arrived in Ethiopia with only their professional skills-medicine and engineering-and a desire to show God's love to those in need. Over the next forty years God would lead them across Africa, through lush hills and scorched bush, to a dozen people groups who hadn't heard the gospel. Wherever the Hunters went, they found that God had been there first. This book is full of astonishing true accounts of Jesus preparing the world's least reached peoples to encounter Him. Visions, dreams, miracles, shocking customs, and even human blunders and tragedies-God used all these and more to open a way to share the good news. Honest, hopeful, and never far from laughter, Malcolm invites us to consider anew what we can expect when we follow Jesus-wherever He leads.
