Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. The book navigates the complex, multifaceted, and multi perspective issue of managing complexity under conditions of economic adversity and high, deep seated dynamism. The overarching theme of six chapters in the collection is that surprising though it may seem and sound, conditions of economic distress, call for unique management strategies and styles, the mastery and execution of which bring hefty rewards. In the same vein, the book underscores the crucial importance of understanding relationships...
